

TROOP 19 NEWS

February 2005 www.troop19berkeley.org

COMMITTEE MEETING

Paul Maheu , Vince, Jane, Jim, Marcia and Mary, attended.

Scoutmaster's Report

The trip to Death Valley was huge success. It was a long trip, but the weather cooperated and the well-planned and prepared meals kept everyone energized. This trip may become party of the regular repertoire for the troop, perhaps taking place in a different month . Thanks to those adult leaders who did all the driving!

Gavin is Troop 19's most recent Eagle.scout. Congratulations!

During a recent Wednesday meeting at the scout hut, the troop was deputized by the City of Berkeley police to help search for a man who had wandered into the park area.

Paul will be announcing the commencement of the troop's community service at dinners which are served to the homeless at St. Mary Magdalene church..

Committee Reports

Treasurer's report- Mary Hartman
The treasury is in good shape following wreath sales for 2004.

We are still considering the possibility of a dinner to commemorate Troop 19's 80th anniversary. Please let Paul or Vince know if you would like to be on a planning committee for this event.

FOS- This year's Friends of Scouting presentation and pledge drive will be at the second regular scout meeting in March (3/9). Funds pledged go to support the Herms District and are an essential means for maintaining Camp Wolfeboro. Last year we had a very generous response from our member families so please consider how much you would like to pledge this year.

Upcoming events

Ski-trip to Shasta President's week-end (2/19-2/21)

FOS Pledge drive 3/9
