COMMITTEE MEETING

Paul Maheu , Vince, Jane, Don, Jim, Jane and Marcia attended.

Scoutmaster's Report

Troop 19 rocked the camporee! What they lacked in numbers, they gained in achievement. The Roadrunners Patrol took third place and the Senior Patrol took first.

The troop also was the recipient of the Gill Talmadge Pioneer award for creating the most useful camp object

The trip to the tidepools at Fitzgerald Beach was also fun. Scoutmaster Paul showed everyone where Jack London lived while he was writing "The Sea Wolf".

The weekly meetings are going very well. The boys are wearing their Class A uniforms as required. The PLC is planning an installation ceremony for the new members of the troop.

This month's meetings will be devoted, in part, to getting ready for the camporee on April 29, 30 & May 1.

Committee Reports

be at Colombia Walk. Everyone who is able is asked to work on the project the week-end of April 23-24 . Contact Richard for details.

FOS- This year's Friends of Scouting fund drive to support the Herms District is still underway. This is an essential means for maintaining Camp Wolfeboro. Last year we had a very generous response from our member families so please consider how much you would like to pledge this year. As your unit representative I'll be attending the weekly meetings in an effort to finish up by the end of this month. Thanks to those who have already pledged (Novosels, Gomes, Trimmers, Hartmans, Muhrs, O'Mearas)
